

Belonging: Being a Great Mate

To HAVE good friends, you have to BE a good friend. Read these 10 tips, then explain what you could do to be a good friend in the three scenarios below.

Find common interests

Include others

Listen

Stand up for your friends

Be honest and trustworthy

Accept differences

Show you care

Consider your friend's needs

Respect your friends

Look after yourself

Scenario 1: A new student joins your class and sits next to you

Scenario 2: A friend says something nasty to another friend

Scenario 3: You invite someone to join in a game but they don't want to
